International

Our firm serves both U.S. and international clients engaged in, or affected by, the movement of goods, services, ideas and payments across international borders. We advise U.S. and foreign manufacturers, trading companies, importers, exporters, industrial consumers, and trade associations on a wide range of issues regarding trade remedy and import relief proceedings, customs laws and import compliance, export controls and sanctions programs, trade policy, and development. Our attorneys are highly experienced practitioners with depths of knowledge and experience. We counsel clients involved in proceedings before the U.S. Commerce Department's International Trade Administration (ITA), the U.S. International Trade Commission (ITC), U.S. Customs and Border Protection (CBP), the Office of the United States Trade Representative (USTR), the U.S. Treasury Department's Office of Foreign Assets Control (OFAC), the Commerce Department's Bureau of Industry and Security (BIS), Overseas Private Investment Corporation (OPIC), U.S. Agency for International Development, and the U.S. Departments of Justice and State. Our attorneys also have substantial trial and appellate experience before the U.S. Court of International Trade (CIT) and the U.S. Court of Appeals for the Federal Circuit (CAFC).
