Real and Personal Property Tax

Our firm has an extensive real and personal property tax practice. On the personal property tax side of our practice, our lawyers routinely assist clients with planning and compliance issues, audit defense, dispute resolution, and litigation, both for general business taxpayers and public utility taxpayers. Our real property tax practice includes the filing of valuation complaints and representation of clients before boards of revision, the Ohio Board of Tax Appeals, and Ohio courts. Our firm also regularly files real property tax exemption applications, and we have broad experience in litigating exemption disputes. We also regularly assist clients in claiming exemptions for exempt facilities (e.g., thermal efficiency and pollution exemptions).
