Email ajgiuliani@vorys.com

Mr. Giuliani is a partner in the Vorys Columbus office and a member of the energy and environment practice group. His expertise is in environmental law, including matters involving the Clean Air Act, the Clean Water Act, The Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) and The Resource Conservation and Recovery Act (RCRA). Mr. Giuliani represents clients in permitting new and old sources, including New Source Review (NSR) and Prevention of Significant Deterioration (PSD) under The Clean Air Act (CAA). His practice also includes defense of enforcement cases brought by government agencies and individuals.

Mr. Giuliani also has experience representing energy clients in general oil and gas matters and litigation. In addition, he works with clients developing large renewable and alternative energy projects involving everything from environmental permitting, financing, renewable energy credits, emission offsets, permit appeals, construction and contracting. These projects include the largest non utility owned biomass power plant project in North America, several ethanol plants and a large solar based green energy commercial/light industrial real estate development.

Career highlights include:

- Representing Fortune 500 companies in permitting new facilities or large expansions
- Representing numerous clients in defense of environmental cases
- Representing energy companies in transactional and litigation matters

Mr. Giuliani is a member of the Ohio State Bar Association and the Columbus Bar Association.

Mr. Giuliani has presented seminars on permitting for oil and gas production activities and related equipment; Title V permitting and compliance; attorney-client privilege; audits and related activities; timely permitting and compliance for new and modified facilities;
