Compliance with Privacy and Data Security Obligations: How to Avoid Liability

Presented by the Columbus Bar Association

December 14, 2009

Join Vorys partner Benita Kahn as she presents at the Columbus Bar Association's Compliance with Privacy and Data Security Obligations seminar on December 14, 2009.

Ms. Kahn's presentation is entitled, 'Legal Aspects of Data Breaches and Data Security'. She will discuss the following points:

- Description of the types of data breaches that are occurring to understand how they might occur
- Legal considerations for an Incident Response Program
- Recent settlements
- State response
- Federal response
- Potential liability

Three CLE credit hours will be offered for the program.
