INVESTOhio Equity Conference

Presented by Vorys, Sater, Seymour and Pease LLP and Crowe Horwath LLP

September 22, 2011

The biennial INVESTOhio Equity Conference will be held on September 22 at the Hilton Columbus at Easton. Executives from Ohio-based public companies will be giving investment presentations throughout the day. In addition, keynote speaker, Dr. Mark Schweitzer of the Cleveland Federal Reserve, will be discussing state and regional economies and the continuing challenges they face, including anemic job growth, pressure from foreign competition and the sovereign debt crises.

Companies who will be contributing presentations include AdCare Health Systems, Inc., Cincinnati Financial, American Electric Power, and RPM International Inc.

While participation in the event is by invitation only, live webcasts of the presentations will be available for the general public.

For more information about the event, including a schedule, please visit www.invest-oh.com.
