

## Joe Brunetto

*Our friend and partner, Joseph Angelo Brunetto, III, passed away Wednesday morning, March 26th, after a long battle with cancer.*

*Joe was a consummate professional and highly respected practitioner. A partner in the firm's litigation group for twenty years, Joe epitomized the ideals of the legal profession.*

*Joe made significant contributions to the Columbus community. As a long time member of the Downtown Kiwanis Club of Columbus, Joe was recently named President-elect of the Club. Joe enjoyed playing the piano for the club's Monday lunch time meetings for more than a dozen years. In addition, he was a board member of the Columbus Children's Choir and a 32 year parishioner of St. Catherine's of Sienna Catholic Church.*

*Joe brightened the lives of everyone he met and he will be profoundly missed by his colleagues, clients and many friends.*
