

## Restructurings and Workouts

Our tax lawyers regularly provide structuring advice to our public and private clients with respect to such matters as the following:

- intra-group divisions and mergers
- recapitalizations
- spin-offs, split-offs, and split-ups
- intra-group asset sales and licenses
- dividend planning
- entity conversions
- other internal restructurings

We also counsel creditors and debtors with respect to tax issues such as bad debt deductions, cancellation of indebtedness, and utilization of net operating losses.
