## SYNDICATED LOANS

Vorys attorneys represent commercial banks, financial institutions, and institutional lenders in all types of unsecured and secured syndicated lending transactions. We regularly represent all types of lenders in their capacities as agents and arrangers in syndicated transactions, ranging from regional club facilities to more widely syndicated transactions.

On an ongoing basis, Vorys also structures and negotiates syndicated loan facilities for borrowers, including cross-border facilities providing for multi-currency borrowing options and the pledging of collateral outside of the U.S. These facilities range in size from tens of millions of dollars to in excess of one billion dollars.
