EDUCATION

Miami University, B.A., 2014

Sean is an internet investigator in the Vorys Cincinnati office. His practice is focused on matters related to brand protection, product diversion and online seller enforcement. This includes assisting clients on issues related to product diversion, internet traffic diversion and online reputation attacks. Sean is also a member of the Vorys eControl team.

Prior to joining Vorys, Sean spent several years working in compliance for a large financial institution.

Sean received his B.A. from Miami University.

Sean is not licensed to practice law in any state and does not provide legal services.
