TECH SHOW 2018

May 17 – May 18, 2018

Vorys Partners Marcel Duhamel and Lisa Pierce Reisz will be presenting at Tech Show 2018 on May 17 and 18, 2018. The event is hosted by the Columbus Bar Association, Cleveland Metropolitan Bar Association and the Akron Bar Association. Marcel will present on *Artificial Intelligence and Law Firms* which will cover finding information on social media, ethics of artificial intelligence and privacy issues. Lisa will co-present on *Anatomy of an Attack* which will help listeners identify, analyze and prioritize risk, avoidance plans and orderly breach responses, and the duty of technology competence.

For more information on this event, please view the brochure listed below or click here to take you to the Columbus Bar Association website.
