## CYBERSECURITY: PROACTIVELY PROTECTING DATA AND RESPONDING TO DATA BREACHES

April 15, 2015

Vorys is co-hosting with Dix & Eaton and AIG to present "Perspectives on Cybersecurity: Proactively Protecting Data and Responding to Data Breaches" on April 15, 2015. The program will provide legal, insurance and public relations perspective on responding to data theft.

The following topics will be discussed:

- The most important aspects of responding to a data incident
- Anticipated demands
- Best practices for coordinating your response among the various stakeholder and the public
- The importance of advance preparation

To RSVP, please contact Kayla Allen.
