POWER SITING BOARD OF OHIO ISSUES A CERTIFICATE FOR AEP OHIO TRANSMISSION COMPANY'S PROPOSED WEST BELLAIRE- GLENCOE PROJECT

January 19, 2018

On January 18, 2018, the Power Siting Board of Ohio issued an Opinion, Order and Certificate issuing a certificate with conditions for AEP Ohio Transmission Company's proposed West Bellaire-Glencoe 138 kV Transmission Line Project. That proposed project covers approximately 6 miles through Pultney, Richland, and Smith townships in Belmont County.
