Julie is the director of practice technology at Vorys. She has worked in legal technology for more than 30 years. She has a paralegal degree and has worked in law firms and in-house litigation departments. Her experience includes managing large scale e-discovery and document productions, records management, litigation technology training and development of numerous litigation technology databases. She manages Vorys' litigation technology department, which provides in-house support, training, processing and production of e-discovery.

Julie is active in coordinating litigation technology education opportunities for the International Legal Technology Association (ILTA) and serves as the Conference Co-Chair for ILTACon 2019-2020. In 2020, Julie received ILTA's Contributor of the Year Award and in 2011, Julie received ILTA's Distinguished Peer Award for Litigation and Practice Support. She is a certified E-Discovery Specialist (CEDS) and is certified in ViewPoint, Summation, Sanction, Law 5.0, the Information Technology Infrastructure Library (ITIL) and Lean Six Sigma.

Julie is not licensed to practice law in any state and does not provide legal services.
