Diversity Scholarships and Fellowships

The diversity of our lawyers is a source of strength and pride, both at Vorys and in our communities. We seek to hire law students who reflect the rich diversity of our communities, who prioritize and celebrate learning about different cultures and backgrounds, and who bring diverse experiences to the service of our clients. To build on this goal, the Vorys Diversity, Equity & Inclusion Committee is pleased to offer the following opportunities:

George Corey Memorial Scholarship

In 2005, the Ohio legal community said goodbye to one of its most beloved members, **George Corey**. George, a long-time tax partner at Vorys, was an extremely talented attorney who was admired by his colleagues and clients for his legal ability, civic involvement, and dedication to recruiting and mentoring the "best and brightest" from diverse cultures, backgrounds and experiences.

Law students who are entering their first summer work experience (typically, following completion of the 1L year, but may be later if studying on a part-time basis) and are enrolled at an ABA accredited law school, who identify as a member of: (1) a historically underrepresented racial/ethnic minority group, and/or (2) the LGBTQ+ community.

The candidate must also participate in a full-panel interview and receive and accept an offer for a paid Summer Associate position in the next incoming class to be eligible for the scholarship.

Scholarship Amount
