# COUNTDOWN TO COMPLIANCE: TOP 5 TIPS TO AVOID INFORMATION BLOCKING

October 1, 2020

With just over one month left until the compliance date for the new “information blocking” rules, now is the time to check your understanding and readiness. The information blocking rule updates certification requirements and establishes new provisions to ensure that providers are using certified technologies that have the ability to communicate usability, user experience, interoperability and security. Tune in to our complimentary webinar with Vorys attorneys Lisa Pierce Reisz, Jonathan Ishee and Mairi Mull to hear their “Top 5” tips for health care providers navigating these new Office of the National Coordinator for Health Information Technology and Department of Health and Human Services’ final rule requirements.
