Vorys is partnering with The Altman Group, a proxy solicitation, corporate governance consulting and bankruptcy balloting firm, to present a free webinar on the amendment to **NYSE Rule 452, which impacts all public companies who have shares owned in street name.**

The webinar will provide companies with the practical implications of the loss of the broker votes in their director elections and strategies for counteracting that loss.

Participating companies will be offered a free analysis by The Altman Group of the impact of this rule change on their company.

Presenters
