Join Vorys for a complimentary teleseminar - the second in an ongoing series

Tuesday, May 11, 2010 | 12 - 1 p.m.

President Obama signed health reform into law Tuesday, March 23, 2010. To help you adapt, Vorys will be conducting teleseminars covering the scope of this legislation and how it will affect you.

Join us for our teleseminar series to learn more about the new legislation, how it will affect employer benefit plans, what you need to do and by when you need to do it.

Our second teleseminar will be May 11 at noon EDT. Join the Vorys Health Care Reform team for a deeper dive into reporting and disclosure responsibilities under the Patient Protection and Affordable Care Act. Learn what data you will need to collect and create for new reports and disclosures to the government and plan participants.

To RSVP or for more information:

Contact Kayla Allen at ksallen@vorys.com.

A dial-in number will be provided before each session.

A future teleseminar on health care reform will be held:
