Vorys partner Lisa Pierce Reisz will be participating in the LeadingAge Ohio 2012 Annual Conference in August 29.

Ms. Reisz will present, *Health Information Privacy Challenges: Understanding HIPAA Compliance After HITECH*, and will discuss:

- Ongoing obligations to develop and maintain meaningful HIPAA policies and procedures that accurately reflect an organization's ongoing efforts to protect and safeguard protected health information
- The importance of developing an effective health information data breach response plan
- Business and legal tensions which exist in business associate relationships and review the key negotiating points in business associate agreements after HITECH
