National Recognition

Our commitment to excellence and client service is evident by our consistent recognition as a top-tier firm advising financial institutions.

Vorys has been named a **“Go-To Law Firm”** for 12 consecutive years in *American Lawyer Media’s* survey of in-house counsel at the 500 largest U.S.-based companies, including financial institutions.

We are proud to have earned top honors as a **national Tier 1 firm** for banking and finance in the *U.S. News – Best Lawyers® “Best Law Firms”* report annually since 2019, and we have earned long-standing recognition as a **“Leading Law Firm”** in Ohio for “Banking & Finance” in the prestigious *Chambers USA* guide.

In its 2022 *Chambers USA* guide, Chambers and Partners lauds Vorys’ *“strength in asset-based lending, structured financing, acquisition finance and derivatives work, among other areas,”* and notes our experience in *“regulatory compliance, banking M&A and securities law compliance”* matters.

What We Do

Commercial Lending

Vorys’ nationally recognized finance group works coast to coast and across offices and practices to lead an array of sophisticated finance transactions, from bilateral middle market deals to complex billion-dollar, multi-currency global syndicated credit facilities. Our finance attorneys have vast experience representing sophisticated lenders across the country in a wide array of financing transactions.

We partner with our clients to approach each finance transaction as a team and work seamlessly across practices to draw upon our attorneys’ experience in related fields, such as real estate, tax, environmental, employee benefits, securities, intellectual property, health care and information technology.

Our interdisciplinary experience allows our finance attorneys to provide practical, market-based legal counsel to efficiently close transactions. While a number of our attorneys are licensed and have practiced in New York and other U.S. financial centers, our Midwest roots further position us to deliver customized client service in a cost-effective manner to achieve our clients’ business objectives.

Vorys is nationally known for leading leveraged, asset-based and structured finance transactions, as well as for advising on complex issues including derivatives and securitizations. Our finance attorneys also assist clients in structuring, preparing, negotiating and documenting both bilateral and syndicated finance **transactions ranging from less than \$1 million to more than \$2 billion.**

Recognized by Chambers and Partners as a "Leading Law Firm" in Ohio for "Corporate/M&A", Vorys leads all phases of mergers and acquisitions, beginning with structuring and planning through the due diligence, negotiation, execution and implementation of a transaction.

We advise on both sides of strategic purchase and sale transactions for virtually all types of state and federal stock and mutual institutions. We also serve as underwriter and placement agent counsel for regional and national investment bankers in public and private debt and equity offerings.

Clients call on us to strategize with management and boards in early planning stages and to analyze alternatives.
