Pamela A. Bresnahan was quoted in the article "Firms Face Rise in High Stakes IP Malpractice Suits," which appeared in the March 3, 2010 edition of *IP Law360*. The article is about the impact increased patent, trademark and copyright malpractice claims have on law firms.

The article states: "The recession only makes it harder on law firms, according to Pamela A. Bresnahan, a Vorys Sater Seymour & Pease LLP partner who often defends firms and lawyers in patent malpractice suits. 'In a bad economy, some inventions are way more valuable in malpractice claims than they ever would be in real life,' she said."
