NEWS | 12.14.2011

Vorys, Sater, Seymour and Pease was listed among the top 100 best law firms in client service in the 2012 *BTI Client Service A-Team Report*. According to BTI, Vorys' client service outpaces "more than 500 other law firms serving Fortune 1000 and large organizations."

For the 2012 survey, BTI interviewed 240 corporate counsel from Fortune 1000 and Global 500 corporations between May and September 2011. The only way to earn a score in the ranking is for a firm to be recognized, unprompted, by its clients as delivering excellent client service. The survey respondents represent several industry leaders in a number of sectors including banking, energy, financial services, high tech, insurance, investment banking, manufacturing, pharmaceuticals, professional services, retail trade and transportation.

Vorys was established in 1909 and has grown to be one of the largest Ohio-based law firms with 375 attorneys in six offices in Columbus, Cincinnati, Cleveland and Akron, Ohio; Washington, D.C.; and Houston, Texas. Vorys currently ranks as one of the 200 largest law firms in the United States according to *American Lawyer* magazine.
