James Wilson, a partner in the Vorys Columbus office, was recently quoted in an article for the Columbus Dispatch titled "Crane Family to be Recognized".

The article states:

"They've been there all the way along, and then when we really needed to save the Drexel, the Crane family was right there and one of a handful of families that really, without them, we may not have the Drexel,' said Kim Rice Wilson, who, with her husband Jim Wilson, serve as the co-chairs of the 2021 Drexel Theatre Gala.

...

'It just seemed like a once-in-a-lifetime opportunity to honor people who really deserve to be honored,' Jim Wilson said."
